## Continuing Guarantee Statement

This is to guarantee that, to the best of our knowledge, the manufacturing of our products is performed in compliance with global food legislation and requirements.

Our products are manufactured under hygienic conditions with reference to Good Manufacturing Practices standard and comply with the requirements by the local Health Authority.

Our products will consistently conform to the product specifications, and HACCP principles are applied throughout the manufacturing of said products.

Based on the above conditions, we declare that our products are safe for human consumption.

It is the responsibility of the customer to ensure the appropriateness of the material concentrations for end-use applications.

Synerzine guarantees that the products sold by this facility are not adulterated or misbranded within the meaning of the Federal Food, Drugs and Cosmetic Act of June 25, 1938 as amended; the Fair Packaging and Labeling Act; or within the meaning of any state food and drug laws, the adulteration and misbranding provisions of which are identical to or substantially the same as those found in the federal Act, and that as such will not be produced or shipped in violation of Section 404 or 301 (d) of said federal Act.

That does not guarantee against these products becoming adulterated or misbranded within the meaning of said Act or Acts after shipment by reason of causes beyond the control of Synerzine.
